

EXCITING FCC NEWS!

FCC is developing new "e-mail distribution lists" to keep our members and friends informed. Would you like to participate?

1. Would you like to receive e-mail announcements and reminders about important events and happenings at FCC? Would you like to be reminded when a new edition of "Fellowship News" goes online?
2. Would you like to receive periodic e-mails from our Senior Minister?

If you said yes to either of these, then go to this website:

<http://fcc-cl.org/lists/> or <http://fcccrystallake.org/lists/>

and follow these steps:

1. Screen #1 - Click on "FCC Lists"
2. Screen #2 - Enter all the required information.
3. Screen #3 - You will then get a confirmation email of your subscription. Make sure that you follow the directions on this screen and in the email. You need to reply to the confirmation email to become "active".

Thank you to Dale Medendorp and Dee Meyer
for creating these opportunities!
